

Description of the sound provided

Son #1: this is a sample of a one of the chronicle I created and that I proposed to the radio. It is called "Another look". I met the different communities living in Morocco. They gave me their view of their life in Morocco with the good and the bad sides of their every day life.

In this sound, you will hear one woman from Romania. She has been living for several years in Morocco.

Son#2: a sample of one of my morning news. As you will notice, I opened with the Sahara file. It was for the third round of negotiations between Morocco and Polisario last January.

Son#3: Interview with Leila SHAHID, the Palestinian Authority representative in Europe. I interviewed her for the commemoration of the third birthday of Yasser Arafat's death last November.
